BUG REPORT for TEST CASE 02

July 14th, 2022

Description

The "See All Bots" button doesn't work

Steps to Reproduce:

1. Go to localhost:3000
2. Click the button "See All Bots"

Expected Result:

- Page should be populated with robot cards of all robots in our system
- No errors should be logged
-

Actual result:

- Clicking button does nothing on the page
- Clicking the button produces error in the Browser console

Environment

- Chrome Version 103.0.5060.114
- AMD Ryzen 7 5800x, Windows 11 Home 64bit Version 10.0 Build 2020
